Katy Perry cemented her status as a best-selling superstar with the global success of her second studio album, *Teenage Dream*, which debuted at #1 in 8 countries and spent over two years on Billboard's Top 200 album sales chart. She became the only female artist to have 5 #1 singles from one album on the Billboard Hot 100 chart ("California Gurls," "Teenage Dream," "Firework," "E.T." and "Last Friday Night"). The special edition, *Teenage Dream: The Complete Confection*, added "Part of Me" and "Wide Awake" to Katy's list of nine Top 40 chart-toppers (dating back to her multi-platinum debut album, 2008's *One of the Boys*, which generated four hit singles: "I Kissed A Girl," "Hot N Cold," "Thinking of You" and "Waking Up In Vegas"). "Roar," the first single from *PRISM*, became Katy's 10th #1 Top 40 track after debuting at #1 on iTunes in 68 countries with 557,024 downloads in its first week of release in the US alone, the biggest digital song sales week of 2013. Katy's 3rd album *PRISM*, released Oct. 22, debuted at #1 on Billboard with the biggest sales week of her career.

TLC is the best-selling girl group of all time having sold 65 million records worldwide. They are the only female hip hop group to earn a diamond certified album for their seminal *Crazy Sexy Cool* LP. They captured the world's attention with their sassy attitude, sophisticated R&B feel and socially conscious lyrical style. From their inception, this multi award winning group unleashed a cool blend of hook-laden pop, hip-hop and R&B music topped off by flamboyant wardrobes and vibrant, attention-grabbing energy. The trio is largely considered to be one of the most musically innovative and important female groups in music history.
